enhancements to the experience

Creating a user journey is a quick way to help you and your team gain a deeper understanding of who you're designing for, aka the stakeholder in your project. The information you add here should be representative of the observations and research you've done about your users.

1 Phases High-level steps your user needs to accomplish from start to finish	LOG IN or CREATE NEW ACCOUNT	HANDWRITTEN DIGITS GIVEN AS INPUT	HANDWRITTEN DIGITS ARE TRANSLATED INTO MACHINE READABLE FORMAT
